The building offers a flexible layout suitable for various commercial uses. The ground floor includes a spacious reception and waiting area, with records storage in the basement. The first-floor mezzanine provides office and admin space, while the second floor features nine clinical rooms, a sluice, storage, and WC facilities. Additional clinic/treatment rooms could be easily added within the space.

Although currently fitted as medical accommodation, the space is also ideal for a wide range of businesses and offers very good value for money on a price-per-square-foot basis. The landlord will consider all commercial uses.

# WELL CONNECTED LOCATION

The property is prominently located on Balham High Road (A24) between Tooting Bec and Balham underground stations connecting to the Northern line and National Rail Services. There are also several bus routes in operation on Balham High Road. The surrounding area is predominantly residential and the property is situated in an affluent area. Nearby amenities include a variety of restaurants, gyms and retailers. St George's Hospital is close by along with a number of private medical practices.
